## **Domingo Camarano Joins Kitchell as Southern California Regional Executive**

**Ontario, Calif., March 5, 2010** — Domingo Camarano joins Kitchell as Regional Executive for the Southern California region. As Regional Executive, Mr. Camarano will lead Kitchell projects in the Southern California market to ensure the continued growth, health and success of Kitchell's clients in this region as well as develop strategic alliances to further support our customers in the court, detention, education, cultural arts, military and healthcare markets. "His diverse experience will play an important role in providing quality services to our clients in Southern California," said Russell Fox, President of Kitchell's construction management division.

Mr. Camarano has over 11 years of experience in construction management, community and economic development, municipal planning, startup of a niche Internet-solution provider with worldwide offices, and executive management at one of the nation's largest non-profit community-development corporations. Mr. Camarano's expertise includes community outreach; program management; project management; acting as liaison with elected officials, and community groups; and ensuring project teams meet established schedules, budgets, and progress deadlines. Has both public and private sector experience focused in California and Nevada.

He earned a master's degree in business administration from the University of La Verne, in La Verne, Calif. as well as a bachelor's degree in Political Science from the University of California, Santa Barbara and a bachelor's degree in Business Administration from California State University, Bakersfield.

One of the nation's top 35 construction management firms, Kitchell provides program, project and construction management services for public-sector clients in the western United States and other areas of the country. Clients include k-12 school districts, community colleges, universities, city, county, state and federal government entities. Services span all phases of construction, from pre-design, through design, construction, start-up and occupancy.

Kitchell has offices in Phoenix, Arizona; Sacramento, San Jose, Fresno, Carlsbad, Santa Barbara and Ontario, California. Kitchell Corporation also owns American Refrigeration Supplies, a wholesale distributor of air-conditioning and refrigeration parts, supplies and equipment, with 31 branches in six states.
